(b) if so, what was the production and import of the drug during the last three years, year-wise;

(c) what is the price fixed for indigenous production and what is the average landed cost of imports during the year 1990-91;

(d) what is the price of bulk drug on which formulation prices are being fixed; and

(e) what are the names of five major formulators of this drug and their formulations?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI CHINTA MOHAN): (a) Yes, Sir.

(b) Information regarding production to the extent available with the Depart ment, and regarding imports, as furnish ed by the DGHS, for the last three years, is given below: ------

(c) Price of indigenously produced

(In tonnes)

	Production	Immort
1987-88 . .	10.76	6·620
1988-89 . .	5·12	14·583
1989-90 . .	2·58	16·355

Phenobarbitone is Rs. 743/ Kg. Average landed cost of Phenobarbitone in 1990-91 is not available. However, its average landed cost in 1989-90 was about Rs. 400/Kg.

(d) Price of bulk drug taken into consideration for formulation pricing depends on source of procurement supported by invoices as submitted by the applicant. However, in view of increased imports the import price as indicated by DGHS is being taken into •consideration presently.

(e) To the extent information is available, M|s. Rhone Poulence, M/s. Bayer (India) Ltd., and M/s. IDPL operating in the organised sector are manufacturing formulations based on this bulk drug.

Export of various drugs

778. DR. R. K. PODDAR: SHRI NARAYAN KAR:

Will the PRIME MINISTER be pleased to state:

(a) what are the details of bulk drugs, formulations, pesticides and intermediates-recommended by Government exclusively for export during the last two years;

(b) on what basic value added was calculated in each case;

(c) what are the names of companies involved in each case; and

(d) what are the names of imported inputs likely to be used for each product and what was the value added in each case ?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI CHINTA MOHAN): (a) to (c) The details of bulk drugs formulations pesticides etc. recommended by Government exclusively for exports during the last two years, value addition as well as names of the companies involved are given in attached statement.
